

Press Release Dreiturm GmbH – February 2, 2024

Matthias Lergenmüller joins the general-management of Dreiturm GmbH; Steinau an der Straße, Germany

Effective February 1, 2024, Dr. Matthias Lergenmüller joins the general-management of Dreiturm GmbH as general representative. He will be in charge of the cosmetics contracting business, R&D and purchasing as well as quality management and quality assurance.

With 25 years of experience in the raw material business of Merck KGaA and Sudarshan Chemical Industries Ltd., his mission is to further develop Dreiturm`s broad customer base, to research and evaluate innovations and to open up new business fields.

Dreiturm`s long-time managing director Hans-Jürgen Schuder remains responsible for all production operations and the site development. Managing partner and speaker of the board Lars Börgel continues to supervise the economic management of the company, it`s venture management and growth expansion.

With almost 200 years of history in the development and production of hygiene, health and beauty products Dreiturm today is a highly recognized partner for many brands in this field and is constantly expanding its range of natural health and cosmetic products.
